

Is your amplifier good enough for use

by the B.B.C. and many Commonwealth and foreign broadcasting Corporations in Monitor systems and as a driver amplifier in the speech modulator chain of broadcast transmitters?

by famous record manufacturers for disc recording?

Professional audio engineers have chosen the TL/12 amplifier for the above applications to help bring to you the music on which you rely for your pleasure.

This is a unique distinction for an amplifier available to the general public.

Used with the RC/PA/U pre-amplifier and the best available complementary equipment the TL/12 power amplifier gives to the music-lover a quality of reproduction unsurpassed by any equipment at any price.

These amplifiers are built to a tropical specification and they are distributed throughout the world. During 1951 to date orders totalling over 2,000 have been received from the U.S.A. for RC/PA/U and TL/12 amplifiers for high quality radio/gramophone reproducers for the home.

This illustration shows the RC/PA/U pre-amplifier mounted in a console cabinet designed for armchair operation. The TL/12 amplifier is mounted in the base of the cabinet. The Leak Dynamic pick-up and Leak radio unit are also incorporated. This console was presented to Harold Rawlinson, Esq., conductor of the Insurance Orchestra Society, on the occasion of the Society's Silver Jubilee.

RC/PA/U	" POINT ONE " TL 12
REMOTE CONTROL	TRIPLE LOOP FEEDBACK
PRE-AMPLIFIER	12 WATT AMPLIFIER
PRICE 9 GUINEAS	PRICE 27 GUINEAS

Craftsmanship is apparent on inspection. Performance is certified by the N.P.L.

★ A 28-page illustrated booklet describing these amplifiers and containing much information of interest to music lovers seeking the highest standard of reproduction is available free on request. ★
